America’s Voice for Community Health Care

The National Association of Community Health Centers (NACHC) represents Community and Migrant Health Centers, as well as Health Care for the Homeless and Public Housing Primary Care Programs and other community-based health centers.

Founded in 1971, NACHC is a nonprofit advocacy organization providing education, training and technical assistance to health centers in support of their mission to provide quality health care to medically underserved populations.
The NACHC Mission

To promote the provision of high quality, comprehensive and affordable health care that is coordinated, culturally and linguistically competent, and community directed for all medically underserved populations.
