WELCOME
TO THE NNOHA CONFERENCE – 2015
Membership Meeting

“Interprofessional Collaboration to Improve Oral Health Access and Outcomes”

November 18, 2015
Indianapolis, Indiana
WHAT IS NNOHA?

NNOHA was founded in 1991 by a group of FQHC Dental Directors who identified a need for peer-to-peer networking, collaboration, research and support. Today we begin our 25th year of supporting oral health in the safety-net.

NNOHA’s membership now includes 2,029 dentists, hygienists, supporters, partners and others who believe in our vision and share our mission.

More than 200 organizations in 50 states and territories are represented in the NNOHA membership.
NNOHA’s Mission

To improve the oral health of underserved populations and contribute to overall health through leadership, advocacy, and support to oral health providers in safety-net systems.
STRATEGIC Objectives

- **Goal 1**: Influence policy related to safety net dental programs / integration of oral health into primary care
- **Goal 2**: Strengthen & enhance safety net dental programs’ ability to provide access to quality oral health services and improved oral health outcomes through training and technical assistance
- **Goal 3**: Grow and support NNOHA membership
- **Goal 4**: Encourage and strengthen partnerships

  - National Training and Technical Assistance Cooperative Agreement
- Phillip Thompson – Executive Director
Oral Health Service Expansion Supplement (HRSA-16-076) Funding Opportunity Announcement

- HRSA plans to award approximately $100 million in supplemental funding to help 285 existing Health Center Program grantees increase access to oral health services and improve oral health outcomes.

- Applicants may apply for up to $350,000 per year. Of the $350,000, applicants may request up to $150,000 in Year 1 only for one-time minor capital costs for equipment (e.g., dental chair) and/or minor alterations/renovations (e.g., installation of dental chair).

- Applicants may propose the addition of new site(s) within their current service area as necessary for the purpose of oral health service expansion.
Eligible Applicants

- Applicants must be existing Health Center Program award recipients funded under section 330(e), (g), (h), and/or (i) of the Public Health Service Act and have at least 1 service site verified as operational at the time that the Oral Health Service Expansion (OHSE) application is submitted in HRSA EHBs.
Application Deadlines

- Applications for HRSA-16-076 must be submitted via [Grants.gov](https://grants.gov) and [EHB](http://www.ehb.org).

- Applications are due in Grants.gov by January 19, 2016 at 11:59 p.m. ET, and EHBs by February 2, 2016 at 5:00 p.m. ET.
Project Requirements

Applicants must propose a plan to achieve all of these required outcomes:

- Add at least 1.0 onsite full-time equivalent (FTE) licensed dental provider within 120 days of award.
- Ensure that any new sites added through this FOA are open and operational within 120 days of award.
- Ensure that any new or expanded oral health services are provided within 120 days of award.
- Increase the number of oral health patients and visits.
- Increase the percentage of health center patients who receive oral health services at the health center.
