Oral Health Infrastructure (OHI) Resources

April 12, 2019

Vy Nguyen, DDS, MPH
Dental Officer, Office of Quality Improvement
Bureau of Primary Health Care (BPHC)
Health Resources and Services Administration (HRSA)
Support health center **infrastructure enhancements** to provide new or enhance existing integrated oral health services

**ONE-TIME** supplemental funding with a period of performance from September 1, 2019 to the end of your FY 2021 budget period

**Application Due Dates:**
- April 22, 2019 in Grants.gov
- May 21, 2019 in HRSA EHBs

- **Total Funding:** ~ $76 million
- **Expected Awards:** ~ 250
- **Max per Award:** $300,000
## Infrastructure Investments

### Minor Alterations/Renovations (A/R)
- Work required to reconfigure interior space to enable you to provide new or enhance existing high quality, integrated oral health services
- Total site-specific project cost is less than $500,000, excluding moveable equipment

### Equipment Purchases
- Each item costs $5,000 or more
- Useful life exceeds one year
- Examples:
  - Dental chairs
  - Radiographic equipment
  - Mobile dental unit
  - Electronic health record update
  - Telehealth equipment

### Other Investments
- Equipment that costs less than $5,000 per item
- Training for staff (e.g., oral health clinical competencies, infection control, interdisciplinary health services integration)
- Consultation on integration of oral health and primary care services
- Contracting for health IT systems
- Redesign workflows to support the use of telehealth and virtual dentistry
