COVID-19 Dental Clinic
Reopening Listening Session

Regions 8, 9, and 10
May 20, 2020
Welcome!

• Make sure you selected the audio type that you are using on the right hand side panel.

• If using the phone, please enter your AUDIO PIN. You can find this on the right under “audio.”

• Use the chat box or raise your hand to be unmuted.
Ground Rules

• Minimize background noise – mute yourself if you are not speaking.

• No political discussions!

• Focus only on sharing your ideas, lessons learned, and concerns.
Part 1: Infection Control and Prevention, Scope of Services (30 minutes)

• Do/did you have adequate PPE to reopen your dental clinic? Where did you get your PPE?
• What PPE are you utilizing in your dental clinic?
• What additional precautions have/will you implement during aerosol generating procedures?
• What level of dental services are /will you provide in your dental clinic as you reopen?
Part 2: Dental Workforce (20 minutes)

- Did/will you need to bring back furloughed or laid off staff to reopen your dental clinic?

- What safety protocols and policies have/will you implement for your dental team? (i.e. temperature checks, social distancing, etc.)

- What modifications will you implement for your dental hygienists give the current recommendations not to use ultrasonic scalers?
