COVID-19 Oral Health Listening Sessions

Regions 4, 6, and 7
March 20, 2020
Welcome!

• Make sure you selected the audio type that you are using on the right hand side panel.

• If using the phone, please enter your AUDIO PIN. You can find this on the right under “audio.”

• Use the chat box or raise your hand to be unmuted.
Ground Rules

• Minimize background noise – mute yourself if you are not speaking.

• No political discussions!

• Focus only on sharing your solutions and concerns.
Part 1: Protecting the Community (25 minutes)

• What are some solutions/strategies that you have implemented to help ensure the safety of your patients? (i.e. PPE, pre-screening of patients, scheduling changes, reduction of services)

• If you’ve reduced clinical services or times, what are your strategies for communicating this with your patients?
  • What is your clinic defining as non-emergency procedures?
  • How are you rescheduling non-emergency patients?
  • Discuss your staffing solutions
Part 2: Protecting the Dental Team (25 minutes)

• What are some solutions/strategies that you have implemented to help ensure the safety of your providers?

• Have you made any additions to standard precautions?

• Are you/will you be able to get all the PPE needed to provide urgent dental care?
